

IREVA uniforms policy – 2008/09revised

A reminder to all players, team reps and club directors: the following policy concerning uniforms was adopted by IREVA's Board of Directors in 2006, and is revised as necessary to reflect subsequent USAV rules changes and interpretations.

- Jerseys
 - The color and design for the jersey must be uniform for the team (except for the libero).
 - All shirts must be numbered in a permanent manner from 1 to 99 (**Taped numbers will not be accepted.**)
 - REMINDER ON USAV RULES CHANGE FOR 2007/08: **Uniform numbers must be centered on the chest and on the back.**
 - The numbers must be a minimum of 10 cm (4") in height on the chest and a minimum of 15 cm (6") in height on the back. It is recommended that the numbers be a minimum of 15 cm (6") in height on the chest and a minimum of 20 cm (8") on the back.
 - The numbers must be of a uniform color and height [except the libero] that is clearly visible, i.e., contrasting with the jersey. **See note below.**
 - Sleeve lengths are not required to be identical, per rulebook.
 - HOWEVER, TANK TOPS CANNOT BE MIXED WITH SHORT SLEEVE OR LONG SLEEVE SHIRTS.
- Shorts
 - The color and design for shorts must be **similar** in style and color (excluding a small manufacturer's logo). **See note below.** Some examples to follow:
 - Shorts with stripes are not similar to shorts without stripes.
 - Shorts with a wide stripe are not similar to shorts with a narrow stripe.
 - Spandex is not similar to baggies.
 - Board shorts are not similar to short shorts.
 - BLACK IS NOT SIMILAR TO NAVY BLUE.
- Libero
 - The Libero player must wear a uniform whose jersey at least must contrast in color with that of the other members of the team. **See note below.**
 - The Libero uniform may have a different design but it must be numbered like the rest of the team members.

NOTE:

Contrast of numbers and contrast of libero jerseys continues to be an occasional source of confusion and uncertainty. See also the USAV 2008-09 Rules Interpretation Bulletin # 1 on the IREVA website. Clubs purchasing new uniforms are encouraged to discuss their color choices with Hansen Leong, our Referee Director, in advance in order to ensure consistency of interpretation on this topic and to avoid future problems.
