

Tournament Director Information:

Instructions: First step in getting your event setup is creating a Tournament Director account. Step two is setting up your Tournament(s) in the system.

Please fill out the form below and email to the Tournament Coordinator, tournament@ireva.org. The Tournament Coordinator will request your account be created/updated. Once your account has been created/update and your tournament has been approved by IREVA on the website you will be able to add your event to the AES website.
